About Kingsley House

At Kingsley House, we envision a city and region where all young children are ready to succeed and all citizens are healthy and economically stable. Recognizing that vulnerable families are at risk of being caught in an intractable cycle of poverty, we are committed to ensuring that individuals and families have the supports necessary to be successful at all stages of life. To accomplish our goals, we join forces with dedicated community partners. Collectively, we work with families to fuel economic growth and social change in our city, state and region. **Kingsley House is a proud United Way Community Impact Partner.**
